Shawn and Kelli Beck agree to ship semen from SK Royal Cartel or SK Ace of Spades (Circle One) to the mare described below. The mare/jennet owner agrees to pay a stud fee of \$500.00 plus shipping (determined by Fed-Ex) for service of the jack circled above. As owners of the above named jack, SK Ranch reserves the right to refuse breeding for whatever reason they see fit.

1. Breeding fee and transportation fee must be paid prior to shipment of semen and is non-refundable.
2. \$500.00 breeding fee includes 2 collections of semen.
3. If after 2 heat cycles, additional collections are incurred; there will be a collection fee of \$50.00 which must be paid prior to delivery of semen.
4. The original shipping container must be returned undamaged to SK Ranch within one week of receiving the container along with a certified veterinarian statement which states the semen was used on the mare listed below. If the container is not returned to the breeding facility within the week, there will be a \$350.00 fee for the container. If we do not receive the container or the \$350.00 container fee, the Live Foal Guarantee described below will become null and void.
5. Each time a shipment of semen is sent, the mare owner will pay the shipping fee that is determined by FedEx. The mare owner agrees to provide a credit card number to be billed by shipping company (FedEx charges) at time of shipment.
6. Mare owner should know that Saturday deliveries are expensive and not available to all zip codes. Sunday collections or deliveries are not available.
7. The mare owner is to notify the jack owner 2 weeks before the planned breeding date and again within 48 hours before the transported semen is to be shipped.
8. If the mare does not become pregnant, the breeding facility will need a letter from the veterinarian stating that the mare is not pregnant before additional semen will be sent.
9. SK Ranch jack owners will not be responsible for incurring costs (such as vet fees, boarding or any other related fees) for preparing the mare for breeding in the event semen shipment is delayed or not received on scheduled day of delivery.
10. In the event that the mare does not conceive after breeding through three heat cycles, the jack owners will return the breeding fee for the same mare only if the mare is examined by a veterinarian for a reproductive evaluation and found to be reproductively sound.
11. LFG: SK Ranch honors a live foal guarantee. If the mare does not produce a live foal that stands and nurses, the owner will be entitled to a return stud service. This privilege shall only apply if the jack owners are notified

within 48 hours of the foal's death and are provided with a statement of details from a licensed veterinarian within 10 days of the foal's birth. If the above two actions are not followed, the privilege becomes null and void. This clause is also binding in case of abortion.

12. Limitations regarding the jack: During times of great demand, there may be days when semen availability is limited and semen delivery may be delayed. Should the jack die, become unfit for service, be sold or unavailable due to uncontrollable circumstances, the stud fee will be refunded upon mare owner's written request or transferred to another jack standing at SK Ranch. Upon refund of the stud fee, both parties will be released from this contract.
